SUMMARY

Full-cycle hunter and closer. I self-source pipeline and sell ROI to finance teams.

Quota-carrying SaaS AE, 6+ years owning the full cycle prospect-to-close with zero BDR support. Jamf Pinnacle Club 2023 (112% of quota, top 5% globally), #2 of 22 AEs at Staffbase, and 100%+ attainment four consecutive years at Jamf. \$3M+ self-sourced pipeline across my last two roles.

Mid-Market velocity, enterprise rigor: #3 of ~30 Mid-Market AEs at Jamf, 40+ net-new logos a year across 200+ accounts. Multi-threaded six-figure committees through CFO, Procurement, and IT. MEDDPICC and Challenger-trained, I build the ROI model the CFO signs.

Builder-operator: I ship LLM-powered GTM tools used daily in live deals, plus a live deal-intelligence product at repcoaching.io. High agency, high urgency, every claim backed by a number or a live link.
